Work Experience

Full Stack Developer (Laravel + React.js)
Department of Agriculture Region III
San Fernando, Pampanga
August 2022 – Present
Job Summary:
Specialize in web application development within the Department of Agriculture, focusing on finance and mapping solutions exclusively for employee use. My expertise spans a range of technologies, including Laravel, React.js, Socket.io, MySQL, JavaScript, Bootstrap, and Bitbucket/Git. I have a strong track record of creating REST APIs to facilitate seamless data communication and user interactions.

Facebook Ads Manager (Part Time only)
League Hub Sports Apparel
Rizal, Guagua, Pampanga
July 2022 – Present
Job Summary:
I excel in Facebook Ads management for League Hub Sports Apparel, a bespoke clothing and sportswear brand. My expertise lies in crafting effective ad campaigns that drive engagement, conversions, and brand awareness, optimizing ROI for the company's unique products and offerings.
